

# HCCTA Community Service Opportunities

2010-2011 school year

revised 1/20/10

If you need to fulfill community service credits at your school, church or other organization; HCCTA has numerous community service opportunities throughout the year. All HCCTA Community Service is open to any high school student needing community service credit. If you are interested in helping, please email [annamariax03@aim.com](mailto:annamariax03@aim.com) the community service opportunity you would like to help with **one week** before the event. If you have questions about the event, email the person whose email appears after the project. Bring your community service credit slip with you to the event, so the HCCTA representative can sign it.

HCCTA Community Service Opportunities will be revised throughout the year. Check the revision date to be sure you have the latest list.
